Re: Additional New Ellison Die List

This is a complete list of Ellison Dies owned by NLS, Youth Services. Please note that an asterisk (*) indicates the new Ellison Dies that were just added to the list. Enclosed are samples of these new Ellison Dies (in the Children's Librarians envelope.) We also now have the lower case alphabet to coincide with the upper case alphabet letters that's in our collection (see the enclosed "r".) As always, call for an appointment to use the Ellison machine or call to borrow.

Please note that in addition to the new dies, the Youth Services office already has many dies from the 2002 *Splish Splash Read* theme to tie in to this year's *Make A Splash & Make Waves @ Your Library* themes.
