Our LOW COMMITMENT BOOK CLUB is 50 members strong!

Our Winter read is "Smilla's Sense of Snow"

by Peter Hoeg.

Smilla was raised in Greenland and has an intuitive understanding of all types of snow. When her neighbor, a 6 year old boy, falls to his death on a snowy rooftop, Smilla knows it wasn't an accident. As she delves deeper into the investigation, Smilla finds her way into international secrets, betrayals and snowy conspiracies. If you had previously joined the Book Club, the title will be ordered for you. If you would like to join, sign up at the circulation desk!

CHECKOUT AN E-READER!

The library has two Nooks and two Kindles available for our patrons to borrow. The readers come preloaded with a variety of titles and can be checked out on your library card for two weeks. For more information, or to reserve an e-reader, stop in or call the library.

The Library Membership program for the American Museum of Natural History has changed. The museum now offers vouchers. Each voucher is for one general admission and one special exhibition. There will be a limit of two vouchers per family. You can obtain the vouchers in the children's room, with a valid library card. Supply is limited.

Download ebooks from our webpage! You can download ebooks from the library's collection, and they are compatible with your KINDLE, NOOK, SONY READER, IPAD, AND IPOD TOUCH.
