*The Long Island Children's Museum* pass is for 4 adults (one must be an adult). This pass is reusable and therefore subject to a ***borrowing policy*** and must be returned to the library.

The pass may be reserved up to 3 months in advance of the desired date. The pass is borrowed for **3 days (day it is picked up, the day the pass is used and the day to return it)** and must be returned to the library by closing time of the day it is due back (may not be put in book drop). Please call museums or check their websites in advance of your visit to determine the hours that they are open. There will be a late charge of \$20 per day. In the event of a non-return of a pass the library will add the entry cost to your record.

Reservations can be made by calling (931-1417) or stopping by at the ***Reference Department***.

1) Passes may only be borrowed by Hicksville UFSD residents (LIBRARY CARD NEEDED) who are over 18 years old who are clear of \$5.00 fines and over. 2) Only one museum pass kit can be reserved at one time per address or family. 3) One per family in a 6 month period. 4) If a pass is not picked up by the Library's closing time, the reservation will be cancelled. 5) The library has the right to monitor usage to ensure fairness and access for the greatest number of families. Check out the programs and events at the ***LICH*** on its website <http://www.licm.org>.
