

The RASD board invites you to a panel discussion of

# “Our Favorite Things”

Reference books you can't live without, web sites that answer those tricky questions...

Do you have a favorite web site you use again and again? A book that never leaves your reference shelf? We all do. This workshop will be a panel discussion of our favorite things. The panel will take you on a tour of helpful web sites and useful reference books. Please bring your own ideas to share with the group. This program is free to NCLA members; \$10 for non-members (check made payable to NCLA). Please RSVP by March 18 to Erica Lang fax 516-481-6719 or e-mail: [referencedesk@hempsteadlibrary.info](mailto:referencedesk@hempsteadlibrary.info). **CEUs will be awarded.**
