

*The Reference and Adult Services Division of NCLA presents-*

## **Improving Your Memory in 3 Days**

*Our speaker is Fred Cherow, the author of "The Sharper Mind" which has been translated into 3 other languages. He has been a lecturer on the Queen Elizabeth 2 and Princess Cruise Lines. Fred also discusses current events at neighborhood libraries.*

*The heart of his program covers everyday memory situations and will provide strategies that we can use immediately to better serve our patrons. For nearly two decades Fred has been boosting people's memory power with ease and humor.*
