

NCLA CLERICAL DIVISION NEWS

The Executive Board of the NCLA Clerical Services Division proposes that the name of the Division be changed to The NCLA Support Staff Division. The rationale for the change is to better reflect the membership of the Division, to be more inclusive of the activities performed by its membership and to attract more individuals from libraries to join NCLA and this Division. The Executive Board believes that the change will more effectively reflect our membership that includes, but is not limited to, colleagues servicing in clerical positions, reference aides, pages, custodial staff, IT staff, library assistants, etc. This change will also provide the Division with greater conformity with that used by organizations such as ALA NYLA and SCLA.

The ballots are now in!

By overwhelming majority we are now known as

NCLA Support Staff Division

Anyone in any type of support position is free to join. We will now be looking to have workshops and programs that reflect this change. We need your input as to what types of programs you would like. Please call me at the East Meadow Public Library (516) 794-2570 x226 to let me know or you may email Connie Stanga at cstanga@eastmeadow.info. If you are not a member, please visit www.ncla.info for a membership form – and recruit a friend too!
