

## Download Library Books to Your - - - - - NOOK

- Nook can read ePub books
  - **Nook does not let you download library books directly.** You have to go through your computer which has to have Overdrive Media Console and an Adobe ID downloaded.
- Go to the library website: [www.poblib.org](http://www.poblib.org).
- On the library website, click on **Download audiobooks and eBooks**.
- Go to **Nassau Digital Doorway** to select a book.
- To get titles that are currently available, click on **Advanced** on the far right.
- Go to **Format** and select Adobe ePub eBooks. Scroll to the bottom and check only show title with copies available and click search
- Find and select an available book - **Make sure you select the correct format**
- Click **Add to Cart** and then **Proceed to Checkout**.
- Select the POB library and enter your library barcode #
- Click on **sign in** and **confirm checkout**. Now you are ready to transfer your book to your Nook.
- Click download title
- Select **Open With** and choose Adobe Digital Editions
- Click OK
- The book will download and when complete the cover of the eBook will appear.
- A window may open that shows you files on your Nook. Close this file for now.
- If this is the first time you are connecting your Nook to Adobe Digital Editions you need to authorize the device.

-Click on Authorize device

-Click **Finished**

-When you see the book cover plug the Nook into your computer with the USB cord.

-Click on the book covers icon on the upper left corner to see your Nook on the bottom left.

-Click and drag the book cover to the Nook.

-You will see a green plus sign – the book will now copy to your Nook.

-When you click on the Nook icon you will see your book listed.

-Safely disconnect your Nook from your computer

-To find your library book on the Nook go to My B&N library. Go to **My Documents** and on the Nook color go to **My Files**. Use the up and down buttons to select the book you want.

-Press on the O on the right to open the book
