

# Download Library Books to Your - - - - - iPad or iPhone

- iPads and iPhones use Adobe ePub eBooks, Adobe PDF eBooks, mp3 audiobooks and Kindle books with the Kindle app.
- You must at least have IOS 4 to use the **Overdrive App**.
- At some point in the process, the iPad will ask you to **Authorize with Adobe ID**. This happens at different points, depending on what you have previously done on your iPad. If you have an Adobe ID, you would enter it and your password at the prompt. If not, click on **Get Adobe ID** and follow the simple instructions.
- Go to **App Store** and in the search box type **Overdrive Media Console**.
- Touch the **Free** button next to the Overdrive icon and then touch it again when it changes to **Install**.
- Enter your **Apple ID (case sensitive)** to download the app. The app will load and then install. Tap Overdrive app to open it.
- Touch the **Get books +** button in the top right.
- Touch **“Add a Library.”** A window will open up and show a **Find a Library** search box. Enter our zipcode **11803** and the tap **Search** and Plainview-Old Bethpage Public Library should appear. Tap the library name to get to our Overdrive page.
- Click on Nassau Digital Doorway
- There are many ways to search for a book. One way is to search for titles that are currently available. To do that, click on the **Search** spyglass button and then click **Advanced** on the far right.
- Go to **Format** and select the desired format (ex. Adobe ePub, mp3 audiobook, etc.) Then scroll to the bottom of the screen and check **Only show titles with copies available** and click **Search**.
- Find an available book. **Make sure you select the correct format.**

- Click **Add to Cart** and then **Proceed to Checkout**. Select our Library and enter your barcode number and login.

-Touch **Confirm Check Out** and then touch **Download**

- The Overdrive Media Console will open again and display your title. A spinning wheel will appear while your book is downloading. Please note that MP3 titles will take much longer to download than ePub titles.

- When your book finishes downloading, tap **Done** on the top left. Touch the book cover to open the book and start reading or listening to the title.

-To get back to a previous page tap on the the top of the screen and a menu will appear. Tap the back arrow.

- To return a book when you are done with a title, click **Edit** on the top left. Touch the red minus sign. Touch **Delete** and you will get the option to **Return then Delete** or **Delete** only.
