Over the past few years, the Friends have been working hard to expand membership and pursue fundraising. At this point, there are funds available to begin granting wishes for our new library and its patrons. Recently the Friends Board voted to donate \$5,000 to the Young Adult area of the library. Now that our teens have a room of their own, it is time to help them stock their shelves. The Friends have also purchased additional bulletin boards. The West Hempstead Rotary Club had generously purchased one for the first floor for the posting of community events. Another item on the library's wish list is the completion of the display case that was built into the bottom of the staircase. The Friends will pay for the installation of glass doors, locks and lighting to make that area into a secure community showcase. There is one more significant purchase in the works, but we are keeping that a surprise until we are ready to properly present our gift to the community. In order to continue supporting and expanding our resources and collections, we need YOUR PARTICIPATION! Won't you please consider joining us today?

At our grand opening, so many of you asked for brick order forms that we ran out! Bricks are still available and will be 'batch ordered' to help defray shipping costs. When they come in, blanks will be lifted and engraved bricks will be placed in the walkway. Other sizes are still available with order forms at the library or at www.whplibrary.org. For purposes of accuracy, phone orders will not be accepted.
